

2017 Idaho Senior Games~ Archery Results

The archery component of the Idaho Senior Games was held at 3417 West Elk Bugle Lane, in Meridian, Idaho, on August 5, 2017. Kevin and Brenda Mee graciously allowed us to hold our event on their park-like grass field. Big thanks go to the Mee's for setting up the field so well from everything to plenty of parking, and a freshly mowed field. A great time was had by all and we couldn't have been happier with the accommodations.

We had nine archers from their early 50's to two in the 75-79 year old age category. The weather was beautiful and the shooting conditions were perfect. Here are the results from youngest to oldest with the female category first:

50-54 years~ Jeanette Riggs; 828 points

50-54 years~ Marvin Riggs; 868 points (first place)

50-54 years~ Robert Martin; 851 points (second place)

55-59 years~ Kim Boyack; 817 points (first place)

60-64 years~ Pat Johnston; 859 points (first place)

60-64 years~ Kelly Carew; 783 points (second place)

65-69 years~ Russ Sharman; 852 points

75-79 years~ Layton Kite; 841 points (first place)

75-79 years~ Bill Sturm; 723 points (second place)

All contestants were shooting the category of Compound Bow with Sights. As a note, Kim Boyack and her husband Rick Boyack qualified last year for the 2017 National Senior Games and participated in that event.

Big thanks go out to Annette Johnston for coming out to man the refreshments table and help out in general. She brought Gus (Australian Shepherd /Poodle cross) as the official mascot and entertainment committee. Annette's banana bread was a big hit.
